CHIEFTAIN

The Senior Class

of Osseo High School

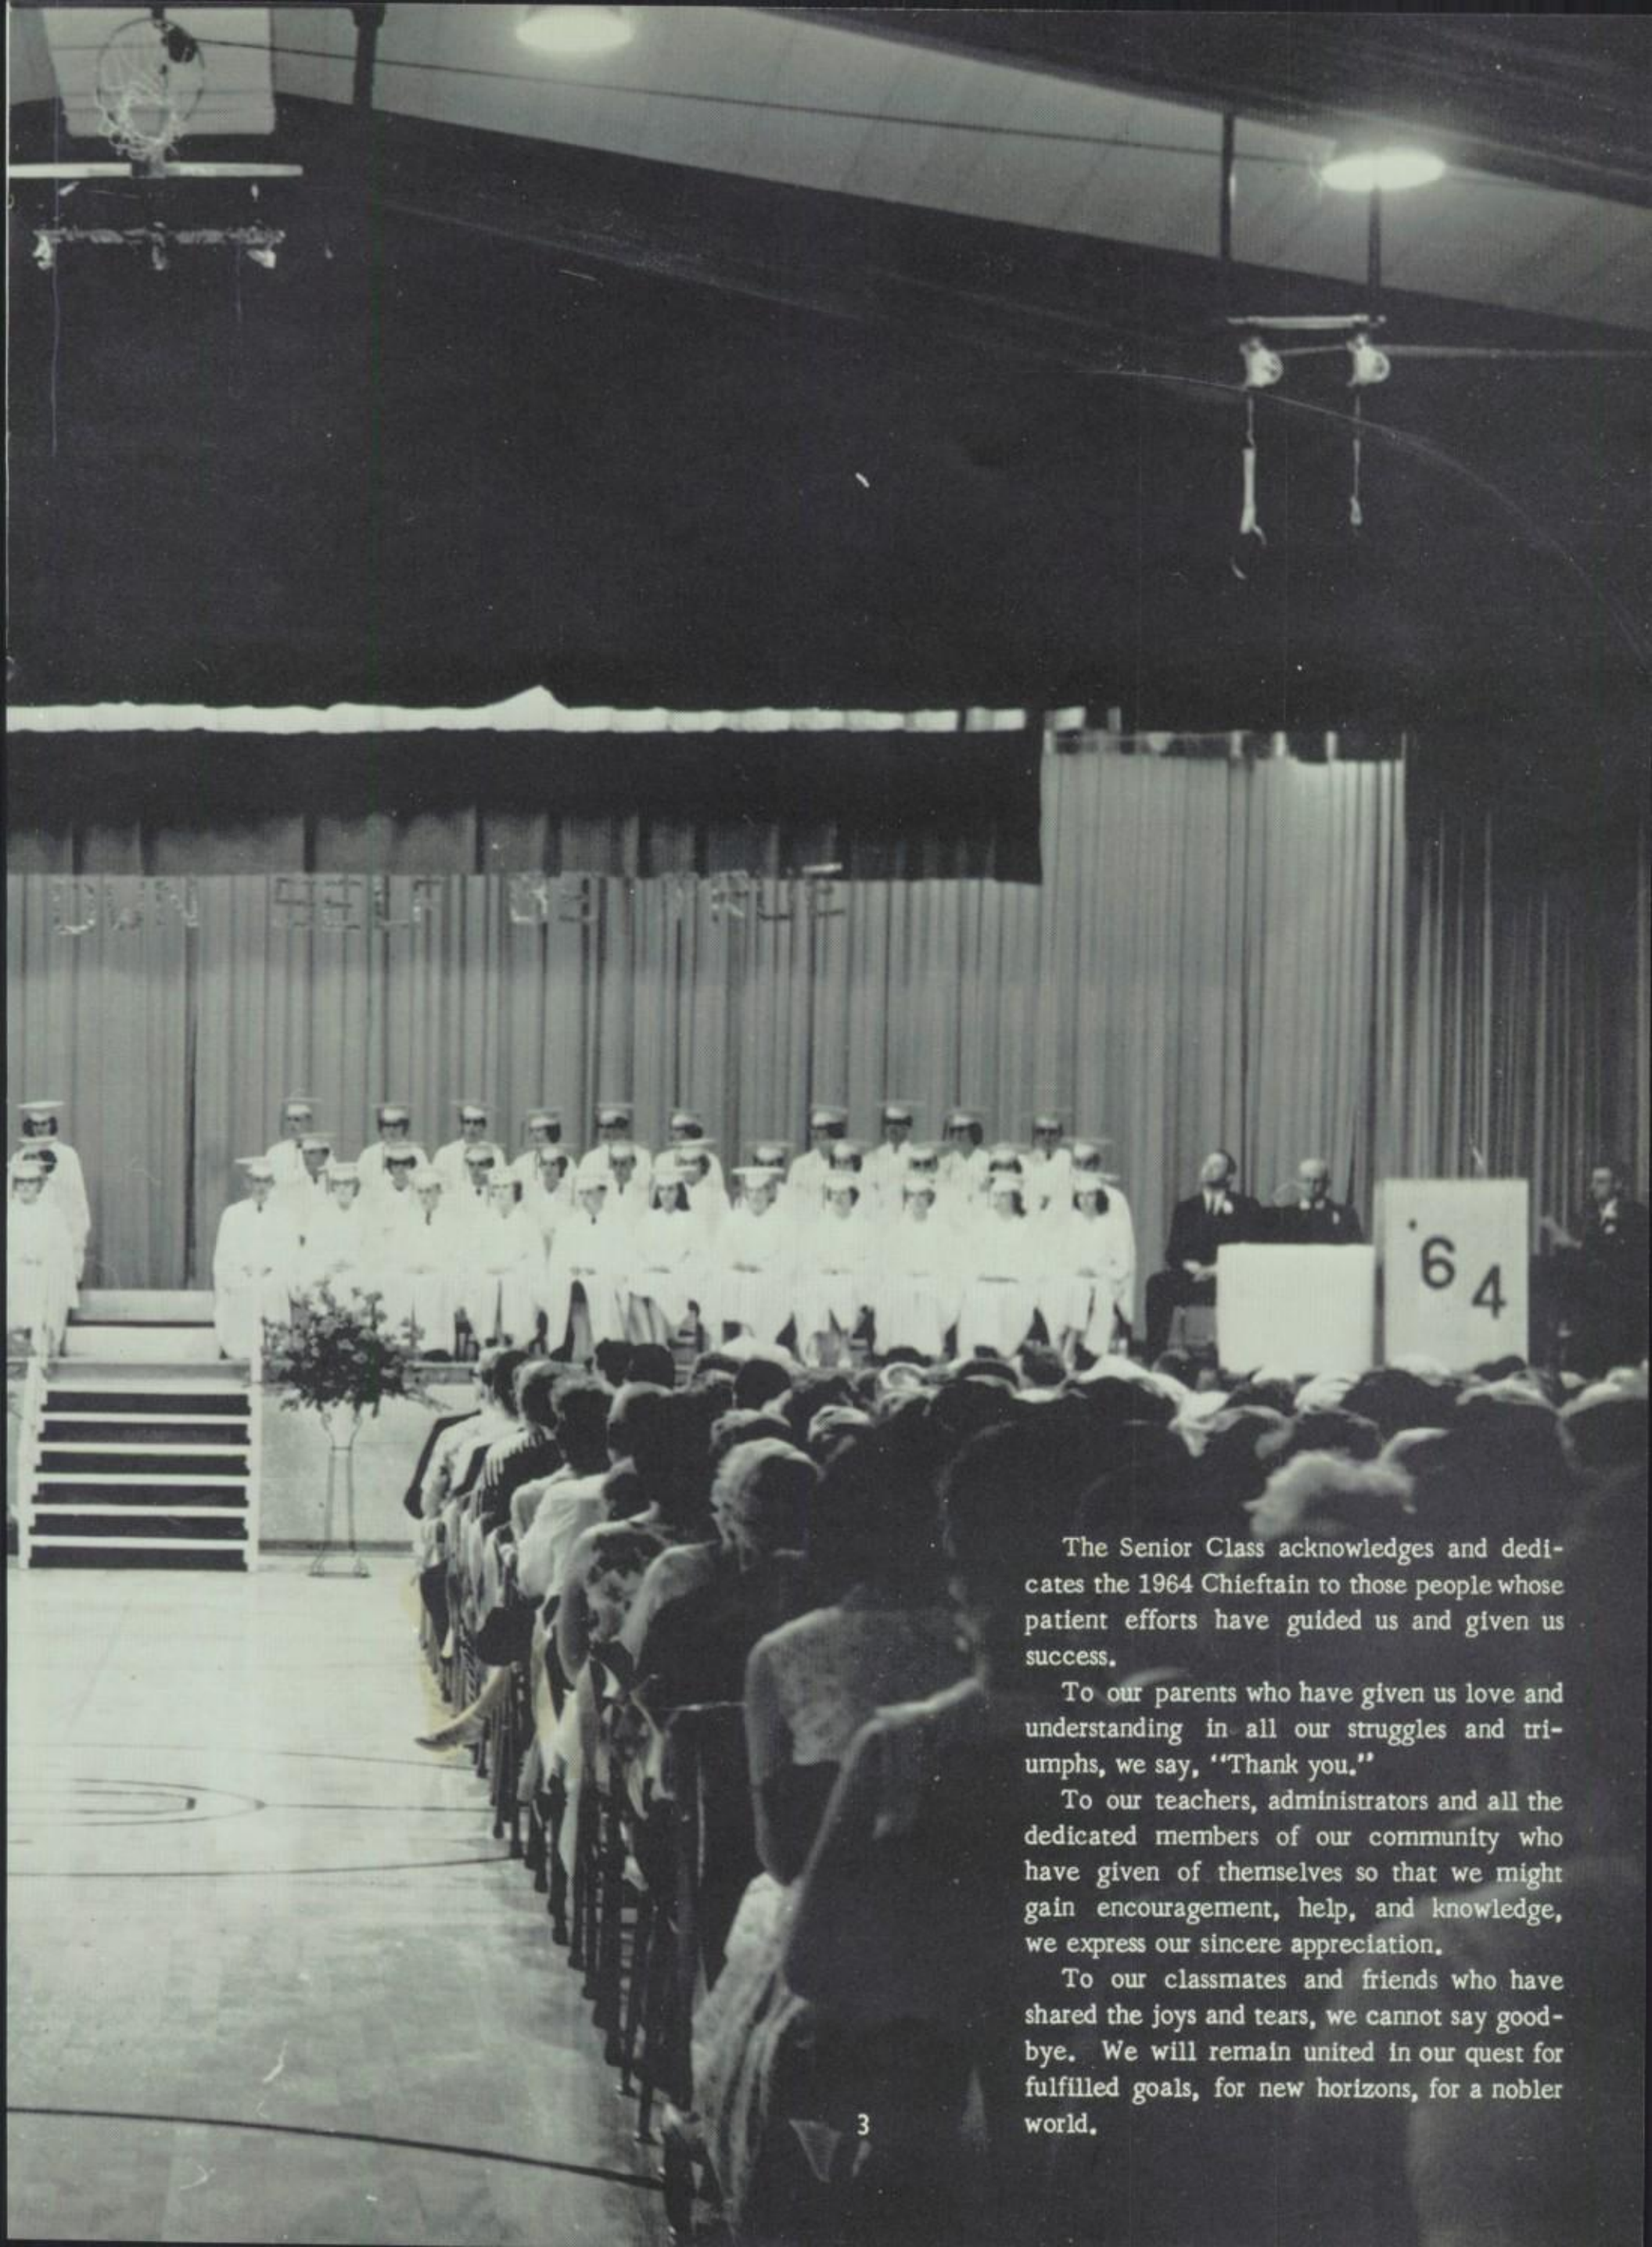

Osseo, Wisconsin

Presents

The Chieftain

for '64

The Senior Class acknowledges and dedicates the 1964 Chieftain to those people whose patient efforts have guided us and given us success.

To our parents who have given us love and understanding in all our struggles and triumphs, we say, "Thank you."

To our teachers, administrators and all the dedicated members of our community who have given of themselves so that we might gain encouragement, help, and knowledge, we express our sincere appreciation.

To our classmates and friends who have shared the joys and tears, we cannot say good-bye. We will remain united in our quest for fulfilled goals, for new horizons, for a nobler world.

Administration

I congratulate you, the Class of 1964, on the success with which you have captured the memories of this school year and in the manner whereby you have recorded them. The 1964 "Chieftain" will serve as a reminder of your experiences this past year, but it is only through proper utilization of these experiences that you may successfully meet new challenges in the future.

TO THE CLASS OF '64:

A chain is as strong as its weakest link. You are an important link in the chain of a family. The causes of family success are not necessarily brilliance or even beauty, but loyalty, honesty, effort, and achievement. Be proud of your family and make your family proud of you. You are a link in your class--your community--you may be a link in a business, a church, a political party--never be the link that lets others down. Others may or may not hold, but don't let the link that fails be you.

Again, congratulations, Class of '64!
